

Non-Member Pricing

“What if everyone had access to affordable, quality healthcare?”

At Ahadi Health, we make it possible.

Transparent cash-pay pricing for patients who are not enrolled in an Ahadi Health Direct Primary Care membership. Payment is due at the time of service — we do not bill insurance for these visits.

If cost is a concern, please call our office at **(913) 208-6464** — we want to make sure you get the care you need.

Office & Virtual Visits

Visit Type	Duration	Price
Establish Care / New Patient – In Person For patients who are not able to pay a monthly membership but want to pay cash for services. Must be in person. After this visit, you're eligible to schedule virtual visits.	45–60 min	\$125
Yearly Wellness Visit – In Person Once a year. Extensive physical exam. Labwork available at additional cost — not included in this price.	45–60 min	\$125
Routine Visit – In Person Chronic disease management, prescription management and renewals, labs.	15–30 min	\$90
Routine Visit – Virtual Chronic disease management, prescription management and renewals, labs. Must be an established patient (seen in practice within the last 12 months).	15–30 min	\$50
Sick / Urgent Visit – Virtual Minor illness such as flu, cold, UTI, or other minor infections. Does not require an established patient — but this visit is limited to your acute need, not chronic disease management.	15–20 min	\$50

Minor Wound Care

For small, minor wounds only. This service does not include debridement, advanced wound dressings, wound vacs (negative-pressure wound therapy), or skin substitutes. Ahadi Health Direct Primary Care provides this minor wound care directly — it is separate from Ahadi Health Wound Care, an independent entity that provides specialty, insurance-billed wound care for more complex wounds.

Visit Type	Duration	Self-Pay Price
Minor Wound Care Visit	30 min	\$50

Additional Services

The same transparent pricing applies to members and non-members alike.

Service	Price
Rapid strep test	\$15
Rapid influenza test	\$20
