

Cash Pay Prices

Simple, upfront self-pay pricing for eligible patients.

This price list is for self-pay (cash) patients only. We are not able to offer cash pay pricing to patients with Medicare, Medicaid, or Medicare Advantage.

If you have Medicare, Medicaid, Medicare Advantage, or any other health insurance, please call our office — we can bill your insurance directly instead of cash pay.

Visit Prices

Service	What It Means	Cash Price
Initial wound evaluation	First visit: full wound assessment, measurements, and treatment plan.	\$195
Follow-up wound visit	Recheck the wound, measure healing, and update the treatment plan.	\$125
Video/telehealth follow-up	Wound follow-up by video when appropriate.	\$75
Mobile / home visit fee	Added when the provider travels to see you in your home or other approved location.	+\$75

Procedures & Services

Service	What It Means	Cash Price
Sharp / selective debridement — first 20 sq cm	Removal of dead or unhealthy tissue using medical instruments to help the wound heal.	+\$125
Additional debridement area	Added when more than 20 sq cm of wound tissue needs to be removed.	+\$50 per additional 20 sq cm

Service	What It Means	Cash Price
Non-selective debridement	Removal of dead tissue using methods such as dressings or other non-sharp techniques.	+\$60
Multilayer compression wrap	Special layered compression wrap used to help control leg swelling and support healing.	+\$75
Basic supplies used during visit	Basic supplies needed to clean and dress the wound during your appointment.	Included
Supplies needed at home	Dressings and wound supplies needed between visits are purchased by the patient.	Patient purchases
Extended travel	Additional travel outside the standard service area.	Quoted by distance

SUPPLY POLICY: Basic wound care supplies used during your visit are included. You are responsible for purchasing all wound care supplies needed at home between visits. Ahadi Health does not dispense or provide take-home wound supplies, including advanced or specialty wound products.

Procedure charges are added to the applicable visit fee unless stated otherwise. Your total cost may vary depending on wound size, complexity, and travel distance. Labs, cultures, imaging, prescriptions, home-use supplies, and services provided by other companies are not included. Prices and service availability may change without notice.

Cash-pay wound care is not emergency care. For a medical emergency, call 911 or go to the nearest emergency department.
